“IN TERROIR THERE IS TRUTH”

We invite you to kick back, relax and settle into your wedding weekend. Every weekend from April-October on our patio at the winery we offer tastings of our estate wines and meads as well as brunch, local beer/cider, and other NYS craft cocktails!

Not only do we host you for your big day but we also complement your wedding with add-ons like hospitality bags, estate favors, local flower bouquets and more.

Consider hosting your rehearsal dinner, farewell brunch, additional “brooms room” rental, pre ceremony cocktail hour and rodeo satellite bar right here on the farm!

We believe in “conscious coupling” and have been doing it for generations! Whether your wedding is small and intimate, or grand and extravagant, we are here to surpass your expectations. SGW is a part of a family owned and operated catering company, Birch Hill Catering, with nearly 90 years of experience!

We are located 15 minutes East of Albany, NY in Castleton. The Winery is located right next to the barn at the top of the property outside the vineyard, it is a yellow building.

Please park in the parking lot below and enjoy the walk up. Handicap parking available up outside the barn.

A Letter from The Owner:

First off, thank you for considering us to celebrate one of the biggest days of your life with you; and congratulations on your engagement! My name is Val Feldman and my family has been catering in the Albany area since 1936, so we have had 4 generations worth of experience making couples like your dreams come true.

We understand that so many decisions go into your big day, and we want to be there for you every step of the way. We have a top notch team, and you can trust that we are equipped to ensure that you and your families can enjoy the party!

There are so many different food and beverage options for you to choose from, and everything is 100% customizable to your style, preference and budget (and we're also always open incorporating your latest Pinterest inspo).

Ask about all the fun and creative ways to create a full wedding weekend here for you and your guests from rehearsal dinner to farewell brunch options. Our specialty ranges from small, intimate and rustic celebrations, to an elaborate affair as your heart desires. We offer onsite ceremonies amongst the vineyards, and horse pastures; we also have a small chapel half a mile away!

Please reach out for more information or to set up a tour or give us a call anytime!
